

The Government of Canada is now providing funding so that potential suppliers can access electronic documentation relating to federal opportunities on the Government Electronic Tendering Service (GETS) free of charge. GETS supports the federal government's sustainable development practices as it encourages moving procurement from a paper-based to an expanded electronic service.

### Notice Description

A Message from **DEFENCE CONSTRUCTION CANADA** Regarding **CONSTRUCTION** Opportunities in Afghanistan

A Message from **DEFENCE CONSTRUCTION CANADA** Regarding **CONSTRUCTION** Opportunities in Afghanistan

The purpose of this notice is to inform Canadian suppliers that there will be **CONSTRUCTION** opportunities in Afghanistan valued at between \$500,000.00 and \$10,000,000.00, and expected to involve modular / pre-fabricated structures with site preparation and services.

All projects will have security implications and very short mobilization and implementation deadlines.

General contractors interested in tendering and carrying out **CONSTRUCTION** opportunities in Afghanistan are invited to become pre-qualified for quick and urgent Invited Tenders in the Kandahar and Kabul Areas, and are invited to submit the following information:

- A covering letter on the contractor's letterhead identifying the name of the firm, identifying the contractor's address, telephone and fax numbers, and stipulating a contact name for the firm;

- A company profile with specific details on your company's experience and capability in South West Asia, particularly describing how your company is positioned to respond immediately to work in Afghanistan;
- Indicate in what size and type of projects your company would be interested.

General contractors are invited to forward their submissions, as well as all requests for additional information on the application process or submission requirements to the following **DEFENCE CONSTRUCTION CANADA** representative:
