liars telling more lies ... Allied forces claim to kill 100 Taliban in Afghanistan Up to 100 Taliban were killed in Afghanistan early Sunday when helicopter gunships and ground fighting retaliated an attack by about 100 rebels. The Taliban fighters had tried to capture the Spera district centre, 15 kilometres (nine miles) from the border with Pakistan, opening fire on police at about 2:00 am with guns and rocket-propelled grenades, the NATO force said. Police and soldiers from NATO's International Security Assistance Force surrounded the attackers and called air strikes consisting of heavy machinegun fire from helicopters, an ISAF statement said.

"Some insurgents attempted to take cover in a nearby building that helicopters then struck with missiles. "ANP (Afghan National Police) and ISAF continued to engage the insurgents in a firefight from the ground and air until the early morning hours," it said. The number of insurgents killed was in the "double-digit figures," ISAF said. The provincial governor of Khost, which includes Spera, put the attackers' death toll at between 50 and 70. "They had killed one policeman in the initial attack and had captured another officer who was later beheaded," governor Arsala Jamal said. "As they retreated, international military air forces came in and bombed them. Fifty to 70 Taliban have been killed," Jamal said. The rebels were able to get "very close" to the district headquarters in Spera before the air forces arrived, the governor said. The air strikes were later halted to avoid civilian casualties after the militants moved into villages, he said. Police and soldiers from NATO's International Security Assistance Force surrounded the attackers. Ok, now the liars are claiming that they had surrounded the Mujahideen, lets try to see if this was possible, surrounding some one means that you have them covered from all sides, they can not escape, if this was true then how was this possible "The air strikes were later halted to avoid civilian casualties after the militants moved into villages, he said."

O, Revealer of The Book, Mover of the clouds, Destroy the co-coalition the enemies of Islam terrorists

O Allah, make them and their weaponry a booty for the Mujahideen

O Allah, you are our support and you are our only Victor; by your order we attack; by your order we retreat and by your order we fight

O Allah, the sky is yours; the earth is yours; the sea is yours, so whatever forces they have in the sky, drop them. Destroy all their forces in earth and sink all their forces in sea

O Allah, deal with them for verily they can never disable you

O Allah, retaliate upon them, afflict them like you did to Pharaoh and his nation

O Allah afflict their country with floods, make them in need of money and food and persons

O Allah defeat them, destroy them O the All-Strong, the All-Mighty

Allahu Akbar

"Honor, Power and Glory belong to Allah, His Messenger and the believers, but the hypocrites know not"

• FINDING STRENGTH FOR THE BATTLES

The Noble Qur'an An-Nisaa' 4:104 And don't be weak in the pursuit of the enemy; if you are suffering (hardships) then surely, they (too) are suffering (hardships) as you are suffering, but you have a hope from Allâh (for the reward, i.e. Paradise) that for which they hope not, and Allâh is Ever AllKnowing, AllWise.
