**It is reported by Abu Sa'eed Khudri (May Allah be pleased with him) that the Prophet (Allah's blessings and peace be upon him) said: "Whoever sees a forbidden thing being done, he must prevent it by the use of his hand; and if he has no power for this action, then he should prevent it with his tongue; and if he cannot do this even, then he should at least consider it a vice in his heart, and this is a very low level of one's faith."**
